

**If your laptop does not connect to the school's guest network, make sure that you have enabled cookies.**

**See below:**

**Google Chrome**

Click the Chrome menu button (three vertical) on the browser toolbar  
Select "Settings"  
Click "Show advanced settings"  
In the Privacy section, click the "Content settings" button  
Select "Allow local data to be set"

**Internet Explorer**

Click the Tools button (cog image) on the browser toolbar  
Click "Internet options"  
Click the "Privacy" tab  
Under Settings, move the slider to the bottom to allow all cookies

**Firefox (Windows)**

Select the Tools menu, (three horizontal lines) and select "Options"  
Then select the Privacy tab  
Set "Firefox will" to: Use custom settings for history  
Check mark Accept cookies from sites to enable Cookies, and uncheck it to disable them

**Firefox (Mac OS X)**

Select the Firefox menu, and select Preferences  
Then select the Privacy tab  
Under "History" choose "Use custom settings for history" from the drop down menu  
Check mark "Accept cookies from sites"

**Safari**

Click on the "Safari" menu (top left of your desktop when the Safari window is active)  
Click on the "Preferences..." item in the menu  
Click on the "Privacy" icon near the top of the window  
Under "Cookies and websites data" select "Allow from websites I visit"
